One Ferry Building, San Francisco Ferry Building,
Market at Embarcadero

2nd Floor / Conifer Securities Offices/ Rm 255, San Francisco, CA

June Topic: *OPEN FORUM*

Included in the evening's agenda will be a review and discussion of the recent *Clinical Conference on Cannabis Therapeutics* which we attended last week in Berkeley, CA. The science and clinical data on using cannabis as medicine is becoming substantial.

Join us for an interesting lecture and important discussion. Time will also be available to discuss your personal prostate concerns. Friends, family and loved ones are always welcome.

Statistics indicate that cancer patients in support group settings live twice as long as those not involved. Come join us for support, information and discussion. For more info, email Ken Malik at kamalik@prostateawarenessfoundation.org or call him at 415-675-5661.
