

Prostate Awareness Foundation

Winter Hiking Schedule, Sundays at 8am - REVISED

Easy to Advanced (*some hikes can be modified if need be*)

You are cordially invited to participate in PAF sponsored Bay Area hikes. The hikes begin at 8am and last between 3 & 7 hours. Elevation gains will vary from a few 100' to over 2,000'. Distances will vary between 3 & 12 miles. Most hikes are designed so you can shorten the length and still feel like part of the group. You do not have to have prostate issues to participate, but trail talk is often about health related subjects. **Women are most welcome to join in.** This is a great way to meet people of similar interest and get or stay in shape. Bring your lunch, water & a positive attitude. Please contact Ken Malik at 415-407-3961 or kamalik@prostateawarenessfoundation.org by 5pm Saturday evening to let us know you will participate so we can plan logistics and carpools. We hope to see you on the trail!
