Bill Kortum was Sonoma County's premier environmental activist. Kortum was instrumental in stopping the nuclear power plant PG&E planned for Bodega Head. He also helped create the California Coastal Commission which set limits on development along the entire California Coast. Bill passed away in 2014 after a long battle with prostate cancer.

To reach the shell beach parking lot drive along Hwy #1 about 7 miles north from the town of Bodega Bay. The parking lot is on the ocean side of Hwy # 1.

Wear layered clothing; bring water, trail snacks and your lunch.

Please contact Ken Malik no later than 5pm on Sunday night to let us know you are planning to participate and so we can arrange carpooling and logistics. Email Ken at [kamalik@prostateawarenessfoundation.org](mailto:kamalik@prostateawarenessfoundation.org), or call him at 415-407-3961

*Hope to see you on the trail!*

*Fact: recent clinical studies indicate that those men dealing with prostate cancer who have a consistent exercise program have the slowest disease progression. Join us for our weekly hikes. It's a great way to meet those of a similar interest, to get or to stay in shape, and to pro-actively take care of yourself.*
