Easy Hike/Walk

2-3 hours, 100' elevation gain, 1-2 miles

Quarry Hill Botanical Gardens is a beautiful, private botanical gardens located in Glen Ellen on Hwy #12 in the Valley of the Moon, on the east side of Hwy # 12 just south of the Oakville/Trinity Grade. The landscape is composed completely of Asian plants and trees many of which are in full spring bloom right now. This is a truly beautiful and tranquil setting. The venue is really more a walk than a hike. Come join us, the more the merrier. NOTE THE 9AM MEET UP, please be on time. You do not have to have prostate issues to participate, but trail talk is often about prostate and health related subjects. Women are most welcome to join in. As always, wear layered clothing; bring plenty of water; your lunch; and a positive attitude!

Please Note: This is a private garden and there is a \$15 entry fee.

Contact Ken Malik no later than 5pm on Saturday night to let us know you are planning to participate and so we can arrange carpooling and logistics. Email Ken at kamalik@prostateawarenessfoundation.org or call him at 415-407-3961.

Hope to see you on the trail!

Fact: recent clinical studies indicate that those men dealing with prostate cancer who have a consistent exercise program have the slowest disease progression. These weekly hikes are a great way to meet those of a similar interest, to get or to stay in shape, and to pro-actively take care of yourself.
