## AUGUST TOPIC: Open Forum

Presented by Ken Malik - PAF Executive Director & Founder

Open Forum evenings are a great way to connect with others with similar interests. We will share success stories, discuss the latest research both conventional and unconventional. This is a great opportunity to voice and address your concerns about prostate issues.

You don't have to have a prostate or prostate cancer to attend. Friends and loved ones are always welcome. Come and learn together.

*Statistics indicate that cancer patients in support group settings live twice as long as those not involved. Come join us for support, information and discussion. For more info, email Ken Malik at [kamalik@prostateawarenessfoundation.org](mailto:kamalik@prostateawarenessfoundation.org) or call him at 415-675-5661.*
