

Prostate Awareness Foundation Support Group

**Santa Rosa, Sonoma County
Discussion & Support Group Meeting**
Tuesday night August 13, 2019 -- 7-9pm
Monthly meetings the 2nd Tuesday of each month
657 Acacia Lane, Community Room, Bldg. B, 1st Floor
Santa Rosa, CA 95409

There's much to talk about at our August meeting!

There are exciting new developments going on in the diagnosis and treatment of prostate cancer. Topics for the August meeting include: 1) Metformin a drug used for diabetes control is showing great promise when used on prostate and other cancers. 2) A recap of the recent cutting edge lecture presented by Natalie Ledesma, PhD at UCSF Medical Center entitled "Truths and Myths of Nutrition and Cancer". 3) UCSF is currently recruiting men for 3 studies on the impact of life style changes on prostate cancer progression. You do not have to be a patient. Find out how you might qualify. PAF meetings are a great way learn and to connect with other men and their families dealing with prostate issues. Time will be available to answer your questions and concerns.

Please park on the street,
the parking lot is for tenants!

**STARTING ON MONDAY NIGHT OCTOBER 6TH WE WILL ONCE AGAIN BE MEETING
IN SAN FRANCISCO ALONG WITH OUR SANTA ROSA MEETINGS**

Statistics indicate that cancer patients in support group settings live twice as long as those not involved. Come join us for support, information and discussion. For more info, email Ken Malik at kamalik@prostateawarenessfoundation.org or call him at 415-675-5661.
