

Prostate Awareness Foundation Meeting

Santa Rosa, Sonoma County
Discussion & Support Group Meeting
Tuesday night November 12, 2019 -- 7-9pm
657 Acacia Lane, Community Room, Bldg. B, 1st Floor
Santa Rosa, CA 95409

OPEN FORUM

Prostate health issues and how to treat them are probably the most controversial subjects in men's health. What's a man to do? What are the most valid tests or should I even get tested at all? How about treatment options? There are so many choices. What are my best options both conventional and on the alternative side? Are there steps I can take pro-actively to keep from having prostate problems, or to slow the progression of prostate cancer if I have it?

PAF meetings are a great way to learn and to connect with other men and their families dealing with prostate issues. Women are welcome, you do not have a prostate to attend. Time will be available to answer your questions and concerns.

Please park on the street, the parking lot is for tenants!

Statistics indicate that cancer patients in support group settings live twice as long as those not involved. Come join us for support, information and discussion. Call Ken Malik at 415-407-3961 or email kamalik@prostateawarenessfoundation.org
