A Unique Prospective on Prostate Cancer, by Philip Miller, MD
Founder & Medical Director, California Age Management Institute

You are cordially invited to attend the next PAF Zoom on-line meeting on Wednesday, February 17th. Dr. Philip Miller has lectured to the PAF in the past and is on the PAF Medical Advisor Board. He is not a prostate specialist but he offers a unique prospective on prostate health much of which you be able to incorporate into your healthy prostate strategy.

Dr. Miller is a recognized leader in anti-aging, integrative and functional medicine. He is the co-author of *The Life Extension Revolution*, a major addition to anti-aging literature.

PAF Zoom meetings are a great way to meet and talk with guys all over the country dealing with prostate issues. The February 17th meeting is limited to 30 attendees; signups will be on a first come first served basis. Friends, family and loved ones are always welcome. **To listen to and participate in the meeting on the 20th you must reserve your place with the Zoom lin.** Please contact Ken Malik at 415-675-5661 or kamalik@prostateawarenessfoundation.org

You won't want to miss this meeting. As always, there will be time to discuss your personal concerns and interests. Friends, family and loved ones are always welcome.

Statistics indicate that cancer patients in support group settings live twice as long as those not involved. Come join us for support, information and discussion. For more info call Ken Malik at 415-675-5661 or email him at kamalik@prostateawarenessfoundation.org
