This month's presenter is Dr Gary Onik of the Center for High Risk & Recurrent Prostate Cancer. Dr. Onik is a medical doctor and inventor. He is known for ultrasound-guided procedures for treating cancer using cryosurgery.

PAF Zoom meetings are a great way to meet and talk with guys all over the country dealing with prostate issues. Our membership includes men with prostatitis, BPH, early and late stage prostate cancer as well men with a family history of cancer wanting to avoid problems in later life. Friends, family and loved ones are always welcome.

Please contact Ken Malik at 415-675-5661 or send an email to him at kamalik@prostateawarenessfoundation.org if you have questions.

Statistics indicate that cancer patients in support group settings live twice as long as those not involved. Come join us for support, information and discussion. For more info call Ken Malik at 415-675-5661 or email him at kamalik@prostateawarenessfoundation.org
