This month's meeting is an Open Forum. PAF Zoom meetings are a great way to meet and talk with guys all over the country dealing with prostate issues. Our membership includes men with prostatitis, BPH, early and late stage prostate cancer as well men with a family history of cancer wanting to avoid problems in later life. Friends, family and loved ones are always welcome. **To listen to and participate in the meeting on the 15th, you must join using the **blue link** above.**

Please contact Ken Malik at 415-675-5661 or send an email to him at kamalik@prostateawarenessfoundation.org if you have questions.

Statistics indicate that cancer patients in support group settings live twice as long as those not involved. Come join us for support, information and discussion. For more info call Ken Malik at 415-675-5661 or email him at kamalik@prostateawarenessfoundation.org
