

7th Annual Bill Kortum Memorial Hike

Sponsored by the PROSTATE AWARENESS FOUNDATION

Saturday, March 26, 2022 @ 11am

An easy hike on the Sonoma Coast

2-3 hours, 100' elevation gain, 3 miles round trip

Meet at the parking lot at Shell Beach - parking is free

Contact us in advance to see if carpooling is an option

Bill Kortum was Sonoma County's premier environmental activist. We will be hiking the trail named in his honor. Kortum was instrumental in stopping the nuclear power plant PG&E planned for Bodega Head, and he also helped create the California Coastal Commission which set limits on development along the entire California Coast. Bill passed away in 2014 after a long battle with prostate cancer.

To reach the shell beach parking lot, drive along Hwy #1 about 7 miles north of the town of Bodega Bay. The parking lot is on the ocean side of Hwy # 1.

Wear layered clothing; bring water, trail snacks and your lunch.

Please contact Ken Malik no later than 5pm on Friday night to let us know you are planning to participate and so we can arrange carpooling and logistics. Email Ken at kamalik@prostateawarenessfoundation.org, or call him at 415-407-3961

Hope to see you on the trail!

Fact: recent clinical studies indicate that those men dealing with prostate cancer who have a consistent exercise program have the slowest disease progression. Join us for our weekly hikes. It's a great way to meet those of a similar interest, to get or to stay in shape, and to pro-actively take care of yourself.
