

Prostate Gathering in the Yosemite High Country
The First Jan Zlotnick Memorial, August 16-21st, 2015

The Yosemite High Country was one of Jan Zlotnick's favorite places. He passed away at the end of 2014 from advanced prostate cancer. Jan was a PAF board member, friend and mentor to so many of us at the PAF. We will be honoring his memory with the *First Annual Prostate Gathering in the Yosemite High Country*. The week's activities will culminate with a trek to Cloud's Rest where Jan requested some of his ashes be scattered.

The goals of *the Gathering* include: increased awareness about prostate health issues and how to deal with them pro-actively, raise critically needed funds for the PAF's ongoing outreach and education programs and to inspire men and their families dealing with this epidemic affliction with hope.

The Prostate Awareness Foundation, the non-profit organization that sponsors these expeditions, provides men and their families with information about available treatment options both conventional and alternative for not only dealing with prostate cancer, but also BPH (benign prostatic hypertrophy). PAF also offers guidance about preventative measures, nutritional support and stress management techniques. The object is to help men and their families take a proactive approach to good prostate health.
