

Prostate Awareness Foundation

Virtual Discussion & Support Group Meeting

(Via Zoom on the 3rd Wednesdays of the month)

This Month's Topic: Sexuality and Prostate Health – A Discussion
Wednesday, June 21, 2023 --- 5-7:00pm PST via zoom
(6pm MST, 7pm CST, 8pm EST)

Let's face it, prostate issues bring concerns about sexual performance. Let's talk about that and share ideas! PAF Zoom meetings are a great way to connect with those with similar concerns, compare notes and learn from each other! We invite you to talk and ask about your specific prostate related questions, concerns and success stories.

PAF Zoom meetings provide an opportunity to meet and talk with guys from all over the country dealing with prostate issues. Our membership includes men with prostatitis, BPH, early and late stage prostate cancer as well as men with family histories of cancer wanting to avoid problems in later life. Friends, family and loved ones are always welcome. NOTE: You must join the meeting using the [blue link](#) below in order to listen and participate.
