Open Forum Meetings are a great way to connect with those with similar concerns, compare notes and learn from each other! We invite you to ask about your specific prostate-related questions.

PAF Zoom meetings provide an opportunity to meet and talk with guys from all over the country dealing with prostate issues. Our membership includes men with prostatitis, BPH, early and late-stage prostate cancer as well men with a family history of cancer wanting to avoid problems in later life. Friends, family and loved ones are always welcome. **NOTE: You must join the meeting using the [blue link](#) above to participate.**
