Monday, October 13, 2025, 9am

Moderate to Strenuous

4 hours, 1,200 elevation gain, 8 miles

The trail starts with a fairly steep hike and ends with a magnificent downhill walk through the redwoods. Meet at the parking lot on the right just before the park entrance, there is no parking fee. The hike starts at 9am, please be on time. Some may want to get lunch in Guerneville after the hike.

As always: wear layered clothing, bring plenty of water and lunch. Hiking poles are helpful.

Please contact Ken Malik no later than 5pm on Sunday night to let us know you are planning to participate and to arrange carpooling and logistics. Email Ken at kamalik@prostateawarenessfoundation.org or call him at 415-407-3961.

Hope to see you on the trail!

Fact: Clinical studies indicate that those men dealing with prostate cancer who have a consistent exercise program have the slowest disease progression. These weekly hikes are a great way to meet those of a similar interest, to get or to stay in shape, and to pro-actively take care of yourself.
